

Dear Incoming 5th Grader and Family,

We would like to take an opportunity to welcome you to your last and best year as a Raccoon! As you begin your summer and look towards the future, we thought we could give you a few things that will prepare you for your fifth grade year. Our goal is that you reach your full potential and have the best year possible.

Below is a list of skills and goals we would like you to know as you enter into 5th grade. Look them over and if anything is a little fuzzy, take some time to refresh and brush up on them. We have included some websites that may be helpful in working on the skills. Remember, the most important thing you can do over the summer is READ! The district has a great summer library program where you can visit any of the elementary schools to check out books and take quizzes! The library schedule is on our Roynon website.

English Language Arts:

1. Ability to read complex, grade level text
(STAR Reading GE of 5.0 or higher)
2. Identify main idea
3. Write an organized multiple paragraph essay
4. Capitalize proper nouns and use correct punctuation

Math:

1. Multiplication and Division facts memorized
2. Basic knowledge of fractions
3. Understanding of place value up to the hundred thousands place
4. Identify and classify polygons
5. Solve 2 step word problems

Websites:

- Reflex Math - 100% of math facts mastered
- Prodigy
- NewsELA
- Khan Academy

5th Grade Social Studies:

- We will be learning about and memorizing the 50 states, their capitals, and their locations on the map so if you want to get a head start, you can start practicing over summer!

Science:

- Brain Pop - Review Life, Earth, Space, and Physical Science

We look forward to seeing you in August!

The Fifth Grade Team

Mr. Baur, Mrs. Miranda, Mrs. Moffitt, and Mrs. Willetts
