## Parent Orientation & Kindergarten Readiness

Dear Roynon Kindergarten Families,

We are so excited and looking forward to meeting you and your child this coming fall. We would like to help you and your child feel as comfortable as possible in this new adventure in your lives-Kindergarten! One way to ease your nerves is for you and your child to know what to expect in Kindergarten.

In preparing for the upcoming year please practice the following:

- Read together every day. (Talk about letters, words, and sentences)
- Practice learning alphabet letters and sounds
- Have your child practice writing his/her first name (Capitalize the first letter only)
- Have your child practice counting and becoming familiar with numbers
- Make sure your child can use the restroom by him/herself
- Most Importantly, please tell your child it's going to be a great year of learning and making new friends!!
